

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-1931/1dn
PJK:sac:ph

April 26, 2013

In this version of the draft I added “before the tenant removes from or is evicted from the premises” after “or at any other time” in s. 704.05 (5) (bf). When I was drafting the analysis related to this provision it occurred to me that “at any other time” could be even after the tenant is gone, which would defeat the purpose of providing the notice.
